MAKE YOUR OCCASION EVEN MORE EXCLUSIVE

The Banking Hall is the most exquisite event space in the city, sensitively restored with authentic features retained from its origin as a bank in the 1860s. With its own private entrance, this dramatic, ornate space is ideal for conferences, gala banquets, celebrations and weddings. Georgian pillars and doorways undergird the ornate plasterwork ceiling hung with four Waterford Crystal chandeliers, each dripping with 8000 crystals. Relics of the building's financial past accentuate its atmospheric décor. Capacious or intimate, the Banking Hall can be configured to accommodate up to 180 guests for a gala banquet, 250 guests for a theatre style meeting or 300 guests for a reception style event.

The Mezzanine Event Suite offers five prestigious meeting spaces. The Guinea, the Florin, the Tanner, the Shilling and the Halfpenny have each been named after an historic coin in tribute to our history. This collection of versatile, daylight-filled venues can cater for up to 100 delegates theatre-style or 64 guests for a private lunch or dinner, with the option to add three adjacent breakout spaces.

A RESTFUL NIGHT'S SLEEP

In our 191 rooms and suites, everything is considered for the utmost in comfort. Décor that blends modern chic and traditional inspiration. Crafted with natural materials such as Donegal linen, and custom-woven carpets inspired by the Irish coastline, these spacious settings are designed to offer a sense of scale in a calming ambience. A private cocoon in the heart of the city, a base for adventure, a home away from home.

ROOMS & SUITES

THE ART OF DINING

THE ATRIUM LOUNGE

Rising over five floors to the glass canopy of the ceiling, The Atrium Lounge truly is the heart of the hotel. Natural daylight spills down on the scene and sets the tone for serenity and relaxation in Dublin City Centre.

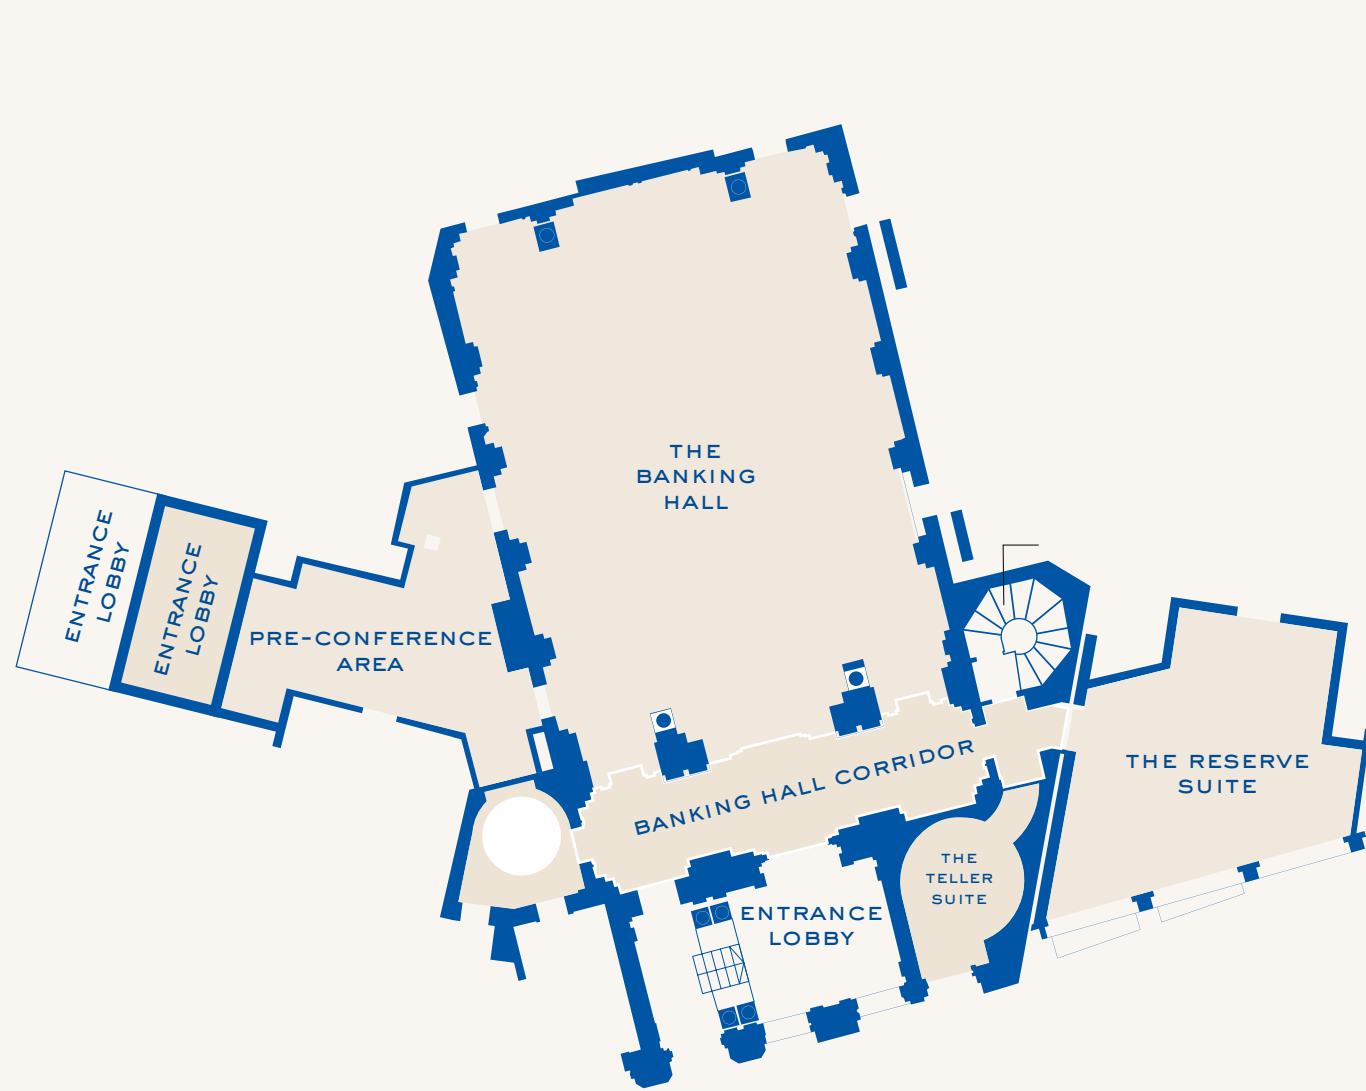

MORELANDS GRILL

Relax in these artfully designed surroundings as you enjoy our inspiring menu and impeccable service. Focused on crafting thoroughly modern Irish cuisine, our chefs are masters of the art. Which is only appropriate given the gorgeous ornamental interiors, inflected with Art Deco stylings, that make Morelands Grill a delightful eatery.

THE MINT BAR

Previously a bank vault, this was a place to store wealth, secure valuables and keep secrets safe. Now, in the depths of our hotel, it retains the discreet ambience of its former purpose. The central bar offers Dublin's finest array of beverages, from spirits to cocktails, beers to brews, and non-alcoholic options too.
